Prayer and Information Sheet

NOVEMBER 11, 2026

- **Ronnie Griffin** - Keep Ronnie in your prayers as he continues with his treatment schedule.
- Paula Mitchell asked prayer for her sister **Tammy Hulsey** and **Abby**.
- **Robert Tommey** - nephew of Lydia Holloman- Continue to pray for Robert as he recovers from a recent heart attack.
- **Kenny Wells -** He received word on Friday that he has a neuroendocrine tumor in his stomach. The good news is that the cancer is well-differentiated and will require no chemotherapy, just removal of the tumor and once-a-month shots. Removing the tumor will require either a small intestine and stomach resection surgery or a more extensive Whipple procedure. The doctor will determine which procedure is required during the surgery. He has a pet scan of his liver on Friday (which the oncology surgeon believes are probably just cysts) and a follow-up appointment with the oncology surgeon on Tuesday to discuss and schedule the surgery. Please pray that the simpler resection procedure is all that is required.
