- **David & Diane Pisani** (Diane is coworker of Diane Robreson) Keep David in your prayers as he heals from hip replacement surgery and an injury from a fall he had after the surgery.
- **Amanda Tison** asked prayer for her cousin's son **Zechariah** (8 months old). He has a rare form of leukemia and had his first chemo treatment over the weekend. Keep him and his parents in your prayers. Check out **Zechariahs Army** on facebook for updates and his story.
- **Gary Townsend** (son of Dale & Judy) Gary under went emergency surgery for a bacterial infection in his left eye due to an injection for macular. Surgery went well but unsure as to how his vision will be after it heals. Pray that as his eye heals that his vision will be normal.
