## PASTOR'S BLOG

YOURS FOR JESUS' SAKE ... A WORD FROM BROTHER TOM

### A GRATEFUL PASTOR

I have been overwhelmed at your kindness and love during these recent days. Your calls, texts, cards, flowers and gifts, have been a comfort and blessing to me and to my family. Your continued prayers are much needed and will be greatly appreciated. I am most grateful to be the pastor of Tabernacle Baptist Church.

It was a great joy to be back in the pulpit on Sunday and I believe our series in the **Book of Daniel** will be a great to help as we continue to revitalize our church. Remember, sermon notes are available on line and printed copies are available in the foyer area. I will look forward to being with you again on July 26 as we start looking at Chapter 2 in Daniel. Next week, July 19, I have a previously scheduled Bible Conference at Liberty Baptist Church in Hartwell and Brother Landon will be preaching again at TBC.

We had tentatively planned to start **Sunday School** back on August 9. That date is now pushed back to September 13. We will assess the situation more closely as we draw nearer to that date. As is the case with our in-person worship, we want you to come back as you determine it is safe for you and your family. For now, morning worship on Sunday and prayer meeting on Wednesday are the only in-person opportunities we are offering.

I was so pleased with the unified response to the recommendation of the Finance Team and Deacons to **sell the church lake property**. While this was a difficult decision it is one that is critical to our revitalization process. Please be much in prayer as we put the property on the market for sale.

We have decided the best way forward, for the time being, with our MFL Men's group is to do it via Zoom each Sunday night at 6:30 pm. Our study of J.C. Ryle's book, *Holiness*, will be a great blessing and I want to encourage all of our men to participate.

I am looking forward to being with on Wednesday night in the worship center for our **prayer service** which we will also stream live on Facebook at 6:15 pm.

As always, I am **looking forward to what God will do at Tabernacle this coming Sunday**. Please be present with your Bibles in hand as we worship the Lord together – once again, in-person!

Blessings, YFJS, Bro. Tom

## FAMILY DEVOTIONAL GUIDE

### DAY 1

- **SCRIPTURE:** Hebrews 4:14; 2:17; 7:26
- **DISCUSSION:** What do these verses teach us about Jesus' role as our great High Priest? How is He similar to the Old Testament high priests, and how is He different? Spend some time thanking the Lord for saving His people from their sins.
- **SONG:** "Jesus, Thank You" by Pat Sczebel

### DAY 2

- **SCRIPTURE:** Hebrews 4:15; Isaiah 53
- **DISCUSSION:** Hebrews 4:15 teaches us that Christ can sympathize with our weakness. He knows what it is like to face the full brunt of temptation. However, He withstood temptation and never sinned. How does the humanity of Christ (taking on human flesh, living as a human, and facing temptation) affect His role as our High Priest? Why is it significant that Jesus was able to remain sinless and resist temptation?
- **SONG:** "Jesus Messiah" by Chris Tomlin, Daniel Carson, Ed Cash & Jesse Reeves

### DAY 3

- **SCRIPTURE:** Hebrews 4:16; 1 John 1:5-10
- **DISCUSSION:** Have you ever been reluctant to draw near to Jesus? What might cause a person to shrink away from the Lord? In other words, what might hinder our fellowship with the Lord and cause us not to draw near to Him as often and as willingly as we should?
- **SONG:** "Jesus, Keep Me Near the Cross" by Fanny J. Crosby & William H. Doane

## OPPORTUNITIES

### BY WHAT STANDARD? MOVIE SHOWING

**Sunday, July 26 at 5:30 PM**

Please make plans to join us for a special event as we view the movie, ***By What Standard?***, a documentary about Critical Race Theory and intersectionality and how these secular movements are infiltrating the American church and, specifically, the Southern Baptist Convention.

Especially as racial tensions in our country are mounting, this secular philosophy, even though used at times by those with good intentions, is nevertheless a dangerous movement. The movie is well-made, captivating and eye-opening. You won't want to miss it!
