Prayer and Information Sheet

JULY 9, 2025

- **Lauren Bryant** - (Daughter-in-law of Terry & Ken Bryant) Has a melanoma on her face. Pray for direction and timing of the surgery and for all details to be worked out and coordinated with the dermatologist and plastic surgeon.
- **Samuel Mitchell** - FB post from Brian Mitchell - Our son Samuel (a senior majoring in Biology) is leaving for Ecuador on Tuesday (July 1) with a team of 15 students and two professors from Mercer University as part of a Mercer on Mission program. For the next three weeks the team will be working at the Amazon Andes Field School in Iyarina, Ecuador to identify, locate and collect specimens of plants in the rainforest that are considered important in the culture of the Kichwa people. The specimens will be planted in a garden near the school and will be used for teaching about how the plants are used for food, medicine, and other purposes. I'm asking for your thoughts and prayers for Samuel and the team for safety, health, success and a safe return. Thanks
- **Phil Posey** - Hospitalized at Atrium Health Navicent Peach County - Room 212 with pneumonia. He is being given IV antibiotics.
- Diane Roberson requested prayer for her Coworker Diane Pisani.
