Keep his wife Linda in your prayers as she goes through this difficult time. She has some health difficulties as well. They are longtime friends of Terry & Diane.
- **Kenny Wells** - Gallbladder removal & hernia repair went well. Keep Kenny in your prayers as he recovers. He has had some trouble sleeping, so pray he will be able to have restful nights. He appreciates all the prayers.

Thank you so much for all of the prayers, texts, phone calls and visits during my recent heart attack. Only one stint was needed, and I am doing well. I am wearing a heart monitor due to an incident of Afib while in the hospital as a precautionary measure but have been released by the cardiologist to work and play ball! We definitely felt your prayers during our time in the hospital. There is nothing like the Tabernacle Church family!

Thanks again and love you all! Terry and Diane Roberson
