Prayer and Information Sheet JULY 22, 2026

- **Terry Bryant** - Terry is having major back issues. Terry had an appointment with his doctor today and they will be scheduling him for surgery. Pray that this can be scheduled soon and he will be able to get relief from the pain he is having,
- **Gary& Janice Farmer** - Gary will have more ablations to be scheduled soon. Janice's latest bloodwork showed that her ferritin levels had improved drastically - as a result she is feeling much better.
- **Danny Moore** - (Father of Carol Moore) After recent fall it was determined that there was no brain bleed but he does have several broken ribs. Keep him in your prayers as he heals.
- **Chrystle Thompson** - (daughter of Scott & Heidi Edge) Chrystle completed her last round of chemo. Her bone marrow biopsy was done on July 13. That will tell if she is still in remission. Keep Chrystle in your prayers.

Keep the missionaries that we support monthly in your prayers. Pray for their safety as they go through their daily lives and as they work to fulfil their mission of sharing Jesus with those who haven't heard.
