Thank you Church Family,

There is not anything I can write on a card to adequately describe what all of you have done for us these past few years. Cards, calls, visits, and prayers have all gone to show your love and support. Even though we could not be there, you were always in our hearts and your love and care was much appreciated. I truly do not know how anyone makes it through the hard times without Jesus and the church being His hands.

Love to all of you, Lynda Lane

Keep the missionaries that we support monthly in your prayers. Pray for their safety as they go through their daily lives and as they work to fulfil their mission of sharing Jesus with those who haven't heard.
