Prayer and Information Sheet JULY 15, 2026

- **Randy Crenshaw** (Landon Crenshaw's father) - Randy had a pacemaker installed 7/8. The surgery went well. Pray for him as he continues to recover and adjust to the pacemaker.
- **Gary Farmer** - Gary will have more ablations to be scheduled soon. Janice's appointment with the neurologist went well. All MRI's were normal and he dismissed her unless something changes. She is feeling better and will follow up with her family doctor to have blood work to check her ferritin levels
- **Danny Moore** - (Father of Carol Moore) Mr. Moore fell last Thursday. Scans show he has a brain bleed. Keep him in your prayers as they treat him.
- **Chrystle Thompson** - (daughter of Scott & Heidi Edge) Chrystle completed her last round of chemo. Her bone marrow biopsy was done on July 13. That will tell if she is still in remission. Keep Chrystle in your prayers.

Keep the missionaries that we support monthly in your prayers. Pray for their safety as they go through their daily lives and as they work to fulfil their mission of sharing Jesus with those who haven't heard.

Thanks to everyone who participated in the Centri-Kid Spaghetti Fundraiser and all those that made donations.

thank you!

The kids had a great week at camp.

A couple weeks ago our youth spent several days doing ministry through out our church family and community. Keep them in your prayers as they learn to step out and be a witness to those around them and pray for them as they enjoy a trip to Universal this weekend.
