

FAMILY DEVOTIONAL GUIDE

For the three days of devotions this week, we encourage you to take this extra holiday time you may have together and discuss your three favorite Bible stories as a family. Spend some time discussing how the passage reveals the Lord Jesus Christ. Consider the following ideas and use it to spur your thoughts:

- If the passage mentions a sin or command, consider how Christ was obedient and fulfilled the law by being perfectly holy.**
- If the passage mentions a prophecy, consider how the Lord Jesus Christ fulfilled that prophecy.**
- If the passage mentions an Old Testament sacrificial practice, consider how Christ was and is our perfect sacrifice.**
